The bitFlyer Group has crossed
2.5 million total accounts in Japan, the US, and the EU

The number one† virtual currency exchange by Bitcoin trade volume in Japan, bitFlyer, Inc. (“bitFlyer”, HQ: Minato-ku, Tokyo), is proud to announce that the bitFlyer Group crossed a combined total of 2.5 million accounts in Japan, the US, and the EU.

With its mission of “Simplify the world with blockchain”, bitFlyer has entered its seventh year of operations since its establishment in January 2014. bitFlyer has been contributing to the sustained growth and expansion of the virtual currency market ever since it launched Japan’s first Buy/Sell Bitcoin service in April 2014. bitFlyer has developed various campaigns and services, including establishment of industry associations and security awareness programs to facilitate the development and growth of virtual currency market.

In November 2017, bitFlyer focused on expanding its business and established bitFlyer USA, Inc. (“bitFlyer USA”) as its first international operation. Subsequently, bitFlyer expanded its virtual currency business to the EU in the following year, January 2018, by establishing bitFlyer EUROPE S.A. (“bitFlyer EUROPE”) in Luxembourg.

bitFlyer believes that these initiatives have helped to gain the combined support of over 2.5 million customers in Japan, the US and the EU.

Yuzo Kano, co-founder of bitFlyer, the Chairman of bitFlyer EUROPE and the CEO of the bitFlyer USA and bitFlyer Blockchain, Inc., said: “We are delighted to be of service to over 2.5 million customers in the six years since the establishment of bitFlyer, Inc.
We are the only virtual currency exchange operator licensed to operate in Japan, the US and the EU. Unified under the motto of One team, One dream, we boldly take on the many challenges necessary to ensure that we adhere to compliance and our customers can use our products with peace of mind."

In the future, bitFlyer will further accelerate its global business and expand its services in ways that make virtual currencies more appealing to customers and increase the world’s overall level of convenience. bitFlyer sincerely thanks its customers for their patronage and support.
