

bitFlyer launches "Donate with Bitcoin - Special Project to Support Ukraine" using Bitcoin Donations.

bitFlyer Inc., which has operated Japan's No. 1*1 crypto-asset exchange (based on Bitcoin transaction volume) for six consecutive years, today launch "Donate with Bitcoin - Special Project to Support Ukraine."

This project utilizes Bitcoin Donations, a bitcoin donation platform that bitFlyer, Inc. has been developing since 2016. All donations collected will be sent to the Japanese Red Cross Society's Ukraine Humanitarian Crisis Relief Fund. The project's completion period is currently undetermined and will be considered in light of future international developments.

Bitcoin Donations simplifies donations by allowing users to easily send bitcoins from their bitcoin wallet or bitFlyer account to the donation bitcoin address. bitFlyer will not charge any fees. Through this service, bitFlyer aims to promote bitcoin and help its customers implement social contribution activities through bitcoin.

The total amount donated to the Japanese Red Cross Society through Bitcoin Donations from 2016 to the end of March 2022 was 2.3 BTC based on our research.

Represented by Bitcoin, crypto assets have been attracting increasing attention worldwide. In Ukraine, President Zelensky signed a bill legalizing crypto assets on March 16.

bitFlyer, Inc. will continue to convey the appeal of crypto assets under the mission of "simplify the world with blockchain." It will continue to devote itself to gaining the

people's understanding of crypto assets and related services by complying with the relevant rules and creating a safe and convenient trading environment for crypto assets.
